

**SHARE YOUR KNOWLEDGE – ENTER COMPETITION**

## **9<sup>th</sup> TRIMO RESEARCH AWARDS**

### **FOR THE BEST UNIVERSITY THESES, EXPERT WORKS, MASTERS' AND DOCTORAL THESES**

in Bosnia and Herzegovina, Bulgaria, Croatia, Czech Republic, Hungary, Italy Macedonia,  
Montenegro, Poland, Romania, Serbia, Slovenia and United Kingdom

#### **FIELDS OF RESEARCH**

- **ARCHITECTURE**

(for example: contemporary steel architecture, mobile architecture,  
light design, modern building envelope design, interactive or active building skin)

- **CONSTRUCTION /CIVIL ENGINEERING**

(for example: modern building materials, thin-layer façades, nanotechnology in the field of construction,  
sustainable construction, composite constructions)

- **MECHANICAL ENGINEERING**

(for example: renewable energy sources - solar thermal technology, stability of composite products)

The purpose of the contest is promotion of research work among undergraduate and graduate students in all the fields of research that are interesting for company Trimo.

#### **THE PROCESS OF SELECTION**

Committee for the research work shall submit the received research works to the experts in different fields, to make a review and together with them appraise and award the best works. Prize-winners shall receive money award. Furthermore, summary of their work shall be published in brochure Trimo Research Awards.

The works, considering the up-to-date achievements of the science, new approaches and solutions, enabling Trimo to use them in the practical work, and of which results shall contribute to further success of the company, will be reviewed.

The prize-winners will be informed of winning the award until end of April 2010. Precise date and place of prize-giving ceremony will be also published until end of April 2010. The prize-winners should give one copy of the originally bound work to Trimo and present it in public.

#### **APPLICATION**

The candidates may apply not later than **March 1<sup>st</sup>, 2010**.

The committee shall consider the submitted works, which have been efficiently appraised by the adequate committee, within the period from January 1<sup>st</sup> 2009 to December 31<sup>th</sup> 2009.

The application should contain originally bound research work in English or native language and the application form with summary in English language. Brief summary in English should contain main stresses of the work (2000 signs) and will be published in Trimo Research Awards brochure.

The candidates apply by fulfilling application form on [www.trimo-researchawards.com](http://www.trimo-researchawards.com) and send the originally bound university thesis, expert work, masters' or doctoral thesis until **March 1<sup>st</sup> 2010**, to the address:  
TRIMO, d. d., Committee for the research work  
Prijateljjeva cesta 12, 8210 Trebnje, SLOVENIA
