

## **Competition for Trimo Architectural Awards 2009 for Most Creative Performed Solutions, using Trimo products**

### **45.000 € PRIZE FUND TO BE SHARED BY THE PRIZE-WINNERS CHOSEN BY THE AWARD'S COMMITTEE**

#### **1 Who Can Enter**

The awards are open to architects and designers for most creative performed solutions using Trimo products on the object, which fulfills the following conditions:

- The solutions should have been already realized for a concrete object, during the last 3 (three) years, but not later than by 1st March 2009.
- Trimo products, such as Fireproof Roof- and Facade Panels Trimoterm, Bi- modular Façade Panels TrimoRaster, Trimo EcoSolutions, Metal Sheet Trimoval and Steel Structures, have to distinguish themselves visually or / and by quantity.
- The location of the object may be in Slovenia or in any other country.
- Solutions, assured by Trimo products should distinguish themselves by their design and round up the entirety. They should present design advantages and economical use in modern architecture. They should also raise the profile of Trimo products with the public.

#### **2 Prizes**

Trimo, d.d. is sponsoring architectural awards for most creative performed solutions, using Trimo products. A prize fund of 45.000 € will be shared by the prize-winners chosen by the award's committee and in accordance with Regulations on Trimo Architectural Awards. The award's committee shall, not later than in 30 days since the date defined to submit the entry until 11<sup>th</sup> May, 2009, inform the prize-winners of winning the award.

#### **3 Entries**

A completed entry form is considered as an entry (also available on [www.trimo.si](http://www.trimo.si)).

An architect or a designer may submit more than one solution as each counts as an individual entry. The competition is open to candidates with permanent residence in Slovenia or in any other foreign country. A candidate can also be entered into the competition by a third person, with the candidate's written consent.

#### **4 Entry Deadline**

No later than 10<sup>th</sup> April 2009 an architect or a designer should submit a company argumentation; this should introduce the solution (up to 1000 signs) in English and be accompanied by three different photos, A4 format, or in digital form (A4 format, resolution 300 dpi), showing the performed solution. In the instance where an architect or a designer has been submitted by a third person, the written architect's or designer's consent should also be attached. The entry may be used by the company in media and for other promotional purposes.

#### **5 Send Entries to**

Entries together with required material should be sent by registered post to:

Trimo d.d.  
Prijateljjeva cesta 12  
8210 Trebnje  
Slovenia

Please mark the sealed envelope, "Trimo Architectural Awards 2009".

The entry may also be completed at [www.trimo.si](http://www.trimo.si) and required material may be submitted by e-mail: [award@trimo.si](mailto:award@trimo.si).

#### **6 Prize - Giving Ceremony**

Solutions will be publicly introduced and the winners will be publicly announced at the prize-giving ceremony. Precise date and place of the ceremony will be published after the 11th May 2009.

#### **7 Exhibition**

Winning solutions will be exhibited at the prize-giving ceremony. Candidates, who are proclaimed as prize-winners by the award's committee, should introduce their rewarded solution on their exhibitio€on stand. The marketing department of Trimo prepares the exhibition stands. Prize-winners should, by 15th May 2009, submit the necessary data and material for the preparation of exhibition stand.

An exhibition stand has to include:

- photos of the object,
- data on the object - title, location, year of performance,
- data on the candidate.
